

GRAND STRAND SALTWATER ANGLERS ASSOCIATION

FISHING REPORT CARD

HOW TO SUBMIT FISHING REPORT CARD:

The Grand Strand Saltwater Anglers have several fun club member pro-active fishing events. The GSSAA encourages our members to get out there and do what they love, and fish. These events challenge each club member to compete against each other and try to be the best of the best, throughout the year. The "Fishing Report Card" is the angler's responsibility to log their catches and submit them to be entered into each contest. The "Fishing Report Card", allows each club member if they choose to participate to log their catch to be counted on the Leaderboard, Fishing Life List, Quarterly Fishing Contest, Grand Slam.

The report card is a new reporting tool on the Club's website. The "Fishing Report Card" can be printed out. The "Fishing Report Cards", will be made available for completion at each monthly meeting.
