

GSSAA FLOUNDER TOURNAMENT

The Grand Strand Saltwater Anglers hosts an annual Live Release Spring Flounder Tournament in Murrells Inlet. These tournaments offer many opportunities to win cash prizes.

This is a well attended, well advertised event and is the first large scale fishing tournament of the year. Many anglers and their families consider this the official start of Spring. This tournament generates funds for saltwater artificial reef programs and marine scholarships.

WHO WE ARE

GSSAA was established in 1983. It is a family-oriented, non-profit organization dedicated to promote and advance the enjoyment of saltwater fishing along the Grand Strand.

The club is actively involved in resource conservation, artificial reef building, youth projects and community service. Through education and economic contribution, the GSSAA strives to do its part to preserve and enhance the precious marine resources for future generations to enjoy.
